

Conservation & Community

It's about protecting nature and the community. This is your chance to contribute to conservation, make a difference and get back to nature while engaging with the local community.

Project summary:

Volunteers are employed from Monday to Friday, and the average working day is 8 hours. The weekends are at the volunteers' free disposal, either to relax at home or to go on excursions.

Exciting and interesting things happen frequently in the game reserve, and this dynamic is incorporated into the program as much as possible. Volunteers are provided with a qualified game warden as a supervisor and a Land Rover for their sole use for the duration of the program.
