Information

1) A comprehensive insurance is mandatory! Most New Zealand schools offer health insurance which is included in the school fee. This covers a large part of the costs. Optionally we offer an insurance package from IMG. The package includes health-, accident- and liability insurance (from CHF 90.-/month). Please contact us for further information!

2) The program fees include: complete personal consultation, preparation meeting, placement at a school and in a certified host family, pick up at the airport, on-site support, 24/7 emergency service (LGA staff - no call center), assistance with flight bookings and, if applicable, visa application and permanent contact for all other matters

3) These are the estimated total costs. They are based on experience and depend on any adjustments made by the partner, schools/school districts, insurance companies or unexpected currency fluctuations. Not included are personal expenses on site (e.g. pocket money, school uniform, transport costs, etc.).

4) School fees include; host family selection and screening, airport pickup, placement and administration costs, on-site supervision and government-mandated insurance, school uniform and internet fees. Please note that these fees change annually and are usually adjusted by the local authorities in the last quarter of the year. The school fees are much higher for placement in large cities. In addition, major currency fluctuations may result in a subsequent charge or refund on the part of LGA.
